JOB OPPORTUNITIES IN DEFENCE RESEARCH & DEVELOPMENT ORGANISATION (DRDO)

Defence Research & Development Organisation (DRDO) works under Department of Defence Research and Development of Ministry of Defence with the vision "Make India prosperous by establishing world-class science and technology base and provide our Defence Services decisive edge by equipping them with internationally competitive systems and solutions". DRDO dedicatedly working towards enhancing self-reliance in Defence Systems and undertakes design & development leading to production of world class weapon systems and equipment in accordance with the expressed needs and the qualitative requirements laid down by the three Services.

Centre for Personnel Talent Management (CEPTAM) is a Corporate body of DRDO with the vision "Scrutinize, actualize and recognize human potential". CEPTAM is mandated for centralized selection of candidates for Direct Recruitment to group 'B' and 'C' posts of technical and Admin & allied cadre in DRDO. CEPTAM strives to attract right talent and explores new innovative ways of reaching out to prospective employees by focusing on fundamental skills, attitude and aptitude of the candidates, so that DRDO gets right employee for right job. For human resource and talent management, a set of systematic and planned activities are designed by CEPTAM to provide its cadre the necessary skills to meet current and future job demands and nurturing next generation professionals working in a host of subject fields.
